

# NASCTF Training Schedule August 2022

## Drywall Production - 8/2/2022-8/23/2022

**5:00pm – 9:00pm**

This 24-hour class teaches methods of stud and drywall layout to minimize waste and maximize productivity for the installer. Members will practice cutting and setting materials to reduce steps to the finish product. **This is not an introductory class.** Students should have some prior Drywall experience

## Drug and Alcohol Awareness - 8/3/2022 & 8/25/2022

**5:00pm-7:00 pm**

This course is an elective course that can help fulfill the requirement for an individual applying for a Site **Safety Training Card**. \* Need this class to obtain SST card

## Fall Protection - 8/13/2022 & 8/15/2022

**8:00am to 4:00pm  
&  
5:00pm to 9:00pm  
(2 days)**

This 8-hour course addresses safety requirements when working from an elevated area such as stairs, ladders, scaffolds, aerial lifts and steel erection. It also addresses how to use, inspect, and maintain personal protective equipment. **\*Need this class to obtain SST card**

## Welding and Cutting - 8/13/2022-8/29/2022

**5:00pm to 9:00pm**

This introductory hands-on course covers various types of welding and cutting. Students will get practice in oxyacetylene torch work and arc welding. The Welding Certification Test will be available upon request.

## MEWPS (Aerial Lift) - 8/20/2022

**8:00am to 4:00pm**

This 8-hour hands-on qualification workshop combines classroom instruction with operating techniques to train participants in the safe operation of “Mobile Elevating Work Platforms” in compliance with OSHA regulations and ANSI standards.
